

THE ROLE OF PARENTS IN THE CHOICE OF CAREER

The role of parents in career life planning is multi-faceted.
They are likely to play more than one role.

Please tick which role you consider as particularly important and reflect about how you would like to implement this role:

Model:.....

Supporter:.....

Encourager:.....

Advisor:.....

Planner:.....

Organizer:.....

Helper:.....

Observer:.....

Initiator:.....

Entrepreneur:.....

Evaluator:.....
